

LIGHTWEIGHT &
FOLDABLE

EASY TWIST HEAD

BRIGHT DAYLIGHT LEDs

REMOVABLE BASE

Twist Portable LED Lamp

PORTABLE LAMP

This lamp is one of the most popular lamps in the Daylight range. The daylight LEDs provide high contrast and accurate colour matching, making it easier and less tiring to read, work and see detail clearly. They are also low in energy consumption. The twistable shade allows the light to be positioned where you need it. The lightweight design makes it easy to move around the house and also ideal to take to classes.
