

Available in 2 sizes

Wafer 1 & Wafer 2 Lightbox

D/E35040 & D/E35030

The wafer provides an even spread of light from edge to edge. The lightbox is ideal for tracing, sketching, stencilling, calligraphy, scrapbooking, embossing, embroidery, sewing and much more. Supplied with a mains adapter.

Ultra Slim

The latest generation of lightweight ultra slim lightbox using LED technology.

Fully dimmable and low heat

The wafer is low heat and provides a wide spread of light for your work. Dimmable to suit your brightness level.

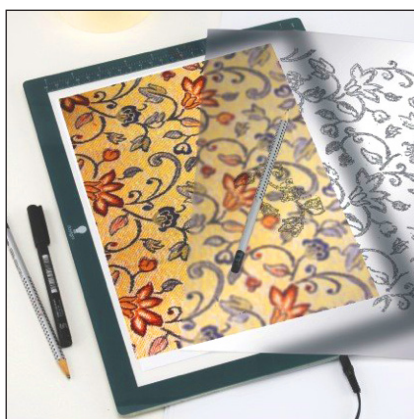

True colour matching

daylight™ LEDs provide true colour matching ideal for all your projects.

Wafer 1 & Wafer 2 Lightbox

D/E35040 & D/E35030
